June 24-28 | 9-12 PM

Studio of MoveMINT offers competitive companies for ages 5-18 with professional, experienced instructors, in state of the art facility, and a family-friendly environment.

Being a Company dancer is full of rewarding life lesson experiences. Faculty members focus on teaching proper dance technique, performance skills, a strong work ethic and leadership qualities that dancers carry into their everyday life.

**Technique Camps**

**Jazz Technique Camp**  
July 8-12, 12:30-3:30 PM

Back by popular demand! We will focus on jazz technique including leaps, turns, flexibility, and choreography. This workshop is for the intermediate - advanced dancer.

**Nutcracker Workshop + Auditions**  
July 15-19, 9-12 PM & 12:30-3:30 PM

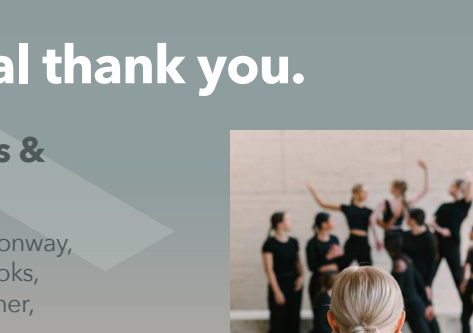

Our *Nutcracker* was a HUGE success. We will be starting our process earlier this year offering 2 ballet workshops! We will hone in on ballet technique, discuss the story line and characters with the dancers, as well as jump start *Nutcracker* choreography. The week will conclude with auditions. If you want to audition for MoveMINT's production of *The Nutcracker*, you must attend this workshop and audition on July 19.

**Moving with Grace**

These free classes are open to everyone, those with Parkinson's and other neurological challenges, as well as their families, caretakers, or anyone who is interested in how movement can improve health and well-being, mental sharpness, and quality of life. Our Moving with Grace classes allow people to experience the joys and benefits of dance while creatively addressing symptom-specific concerns related to balance, cognition, motor skill, depression, and physical confidence.

Wednesdays 1:30-2:45 PM
