15 Minute Intermission

Interested in joining MoveMINT Dance Company?

Join us this summer for our Contemporary Workshop & MDC Auditions

June 24-28 | 9-12 PM

Studio of MoveMINT offers competitive experiences for ages 5-18 with professional, certified instructors, in state of the art facility, and a family-friendly environment.

Being a Company dancer is full of rewarding life lesson experiences. Faculty members focus on teaching proper dance technique, performance skills, a strong work ethic and leadership qualities that dancers carry into their everyday life.

Technique Camps

Jazz Technique Camp

July 8-12, 12:30-3:30 PM

Back by popular demand! We will focus on jazz technique including leaps, turns, flexibility, and choreography. This workshop is for the intermediate - advanced dancer.

Nutcracker Workshop + Auditions

July 15-19, 9-12 PM & 12:30-3:30 PM

Our *Nutcracker* was a HUGE success. We will be starting our process earlier this year offering 2 ballet workshops! We will hone in on ballet technique, discuss the story line and characters with the dancers, as well as jump start *Nutcracker* choreography. The week will conclude with auditions. If you want to audition for MoveMINT's production of *The Nutcracker*, you must attend this workshop and audition on July 19.

Moving with Grace

These free classes are open to everyone, those with Parkinson's and other neurological challenges, as well as their families, caretakers, or anyone who is interested in how movement can improve health and well-being, mental sharpness, and quality of life. Our Moving with Grace classes allow people to experience the joys and benefits of dance while creatively addressing symptom-specific concerns related to balance, cognition, and physical confidence.

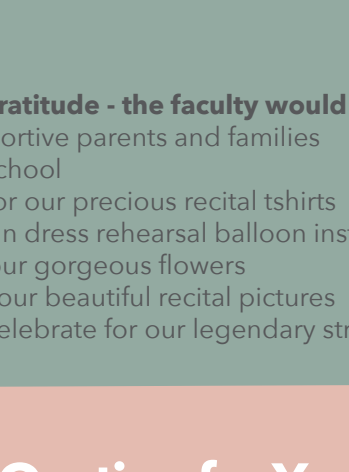

Wednesdays 1:30-2:45 PM

A HUGE special thank you.

Honoring our Class of 2024

Taylor Jade Harris

My favorite MoveMint memory is watching critiques with my teammates after competitions.
Post-grad plans: Attending UT Austin to study kinesiology on the Pre-Physical Therapy track. I'm also going to continue dancing on the UT Pom Squad!

Katie White

My favorite MoveMINT memory is dancing in the company show for the last time this year with my teammates!
Post-grad plans: Attending Tarleton State University to study business with a focus in marketing. I am looking forward to enjoying college life, joining a sorority, and all the new adventures this chapter brings me!
