

MoveMINT Dance Company 2025–2026

Being a MoveMINT Company Dancer is full of rewarding life lessons & experiences. Our Company Directors will work hard with each company this season. They will focus on teaching proper dance technique, performance skills, and instilling a solid work ethic. These are qualities that dancers can carry into their everyday lives.

Training & Classes

Studio of
MoveMINT
Dance
Company

To maintain quality technique and to move choreography along, dancers are required to take certain classes. As a dancer gets older, more classes and rehearsals are required. The following classes are required for each team:

Competition Teams*

Tinies: One ballet class and one weekly rehearsal class.

Bitties: One ballet class and one weekly rehearsal class.

Minis: One ballet class, one additional technique class (jazz or contemporary), and one weekly rehearsal class.

Competition teams may be called in for mandatory Saturday rehearsals on occasion and as needed by the directors

Convention Teams

Petites: Two ballet classes, one jazz class, one contemporary class, and two weekly rehearsals

Intermediates: Two ballet classes, one jazz class, one contemporary class, pointe (if applicable) and two weekly rehearsals

Teens: Two ballet classes, one jazz class, one contemporary class, pointe (if applicable) and two weekly rehearsals

Seniors: Two ballet classes, one jazz class, one contemporary, pointe (if applicable) and two weekly rehearsals

Attendance

Regular attendance in both classes and rehearsals is pivotal for the team's success as a whole and for optimal growth as an individual. Dancers are permitted 2 excused absences from technique classes and 2 excused absences from rehearsals per semester.

Please note that "excused" means a director has been communicated with ahead of time for approval. If the dancer fails to communicate appropriately or is absent from more than the allotted amount per semester, his/her spot on the team may be jeopardized.

Attendance at ALL competition and convention events (call time, performances, classes and awards) are mandatory for all dancers attending the event.

Additional Learning

We are proud to offer additional learning opportunities for our dancers, IN HOUSE through master classes, guest artists, and more.

Competitions & Conventions

MoveMINT Dance Company will compete at 3 local competitions and 3 conventions, as well as perform in a company-only spring show, and in our annual Spring Concerts in May. Dance conventions provide 2-3 days of intense training with experienced dance professionals. They offer a fast-paced learning environment with numerous dancers from around the metroplex. Different years present different opportunities such as performances in the community as well as training at a variety of conventions and competitions.

*** Tinies, Bitties, and Minis will only compete at competitions, not conventions.

Commitment

MoveMINT Dance Company dancers are making a year-long commitment to the Company Directors, as well as their teammates. By auditioning for MoveMINT Dance Company, you understand the financial and time commitment required. Parents and dancers are required to sign a contract acknowledging this commitment. Bonding events will be sprinkled in throughout the year, like a holiday or year-end banquet.

Solo/ Duet/ Trio Opportunities

Solos/Duets/Trios may be available after at least one year on MDC, by approval only. Dancers are not allowed to perform additional routines without competing in group dances. Group dances are always the first priority for all dancers. Solo/Duet/Trio requests must be made by July 16th.

It is always left to the discretion of the directors as to whether or not you are ready to compete your solo/duet/trio.

Choreography must be completed and set by the end of October. In November, all solos/duets/trios will perform for the directors through a “quality check”. If approved, the dances can compete at upcoming competitions/conventions. If not approved, next step options will be discussed with the dancer.

Solo/ duet/ trio cost: Choreography plus 3 hours of rehearsal: \$450. Any additional private rehearsals will follow the studio's private pricing. Please note that opting to do a solo/duet/trio results in additional competition fees, ranging \$75–\$150/competition, and a \$110 costume fee.

Additional rehearsals must be scheduled closer to performance dates to ensure pieces are stage-ready. These rehearsals will be treated as private lessons and rehearsal fees will apply – \$50 for 30 minutes, and \$75 for an hour.

Venmo is always preferred for payment. Payments are made directly to your choreographer.

All dancers/parents will be responsible for scheduling privates with their choreographer or one of the Company Directors. These rehearsals will primarily be available on the weekends.

If your account becomes outstanding, you will not be allowed to continue with privates for a solo/duet/trio or be entered into competitions.

Fundraising Opportunities

Last year, we had our first official year of a MDC fundraising committee. We offered some individual fundraising opportunities, as well as some group fundraising efforts. Our committee is looking forward to offering these optional opportunities to MDC families again next season.

While we are still planning our fundraising calendar for next season, some optional opportunities may include:

- Dance clothes resale**
- Tamale fundraiser**
- Calendar fundraiser**
- MDC Yard signs**
- Mahjong and Mingle Moms Night**
- Vendor tables supporting MDC at Nutcracker and Recital**

Last season's group fundraising efforts raised money to feed the entire company at our company show weekend, helped fund additional fundraising efforts, as well as getting us closer to filing for 501c3 status/booster club.

We are pumped to tell you more about these optional opportunities for our 25-26 season.
