# COLLEYVILLE HERITAGE HIGH SCHOOL VOLLEYBALL WHY FUNDRAISING IS IMPORTANT

**A message from Head Coach Josh McKinney and the CHHS Coaching Staff...**

The CHHS Volleyball Coaching Staff is excited to look ahead to the 2026 season, and we are energized about what lies ahead. Our varsity team continued to compete at a high level in 2025, building on a strong tradition that included a regional finals appearance in 2024. We proudly captured the 5A State Title in 2022 and returned to the state tournament in 2023. This season, we are excited to welcome back a talented group of upperclassmen, along with an incoming class ready to make an impact. With the continued support of our dedicated fans and generous sponsors like you, we believe the future of our program is as strong as ever.

As athletes, we did not always recognize the impact a booster club and sponsors have on a program. As coaches, we now see just how essential that support truly is. With school athletic budgets continuing to tighten, it is difficult to provide our student-athletes with the equipment, opportunities, and experiences they deserve without outside support. While financial contributions are important, your involvement goes far beyond that. Our athletes benefit from the encouragement, presence, and commitment of sponsors who are invested in building something special. We cannot do this alone, and we invite you to partner with CHHS Volleyball to help ensure every athlete has the support needed to grow and succeed throughout their time in our program.

Thank you for supporting the Colleyville Heritage Panthers Volleyball program.

Head Coach Josh McKinney and the Colleyville Heritage Volleyball Staff
