Colleyville Heritage High School Volleyball:

Why Fundraising Is Important

A message from Head Coach Josh McKinney and the CHHS Coaching Staff...

The CHHS Volleyball Coaching Staff is very excited about our program and the upcoming 2023 season. Our varsity had a very successful 2022 season, winning the 5A State Title. We return an exciting core of talented and enthusiastic upperclassmen along with incoming Freshmen. With the help of a very passionate fan base and the support of sponsors such as you, the future for our program looks very bright!

Growing up playing high school sports, you never realize the impact that a booster club and our sponsors have on an athletic program. But now, as coaches, we see the importance of a well-organized booster club. With school athletic budgets continuing to dwindle, financially, we wouldn't be able to give our kids the equipment, tournaments, and experience that they deserve. Although finances play a large role for any booster club, being a part of a program is so much more than just the money. Our girls need the support of sponsors willing to go above and beyond to make our program one that everyone wants to be a part of. We cannot do this alone and we hope that you will consider supporting CHHS Volleyball to help ensure that each volleyball student-athlete has the support necessary to be successful from freshman year all the way through graduation.

Thank you for supporting Colleyville Heritage Panthers Volleyball program!
