From the Pastor's Desk

Greetings Faith Family,

To be alive is to live the love of Jesus! Love is the heartbeat that pumps life throughout the church. A church that isn't loving isn't alive. Faith Family, we are alive! We are living the love of Jesus! As I begin my fourth year at BBC, I see the love of Jesus alive in you. As you faithfully pray for those in your lives and in the world who need the love of Jesus in their lives. As you gather to celebrate the love of Jesus and grow through discipleship opportunities, as you have welcomed new people to our faith family and continue to care for each other in love, and as you have gathered mission's offerings, angel tree gifts, fruit baskets, Guardian Angel offerings and met many needs to show the love of Jesus to others, you have shown the love of Christ.

Thank you for your faithfulness, for the ways you live in love, for the ways you support the ministries of BBC that spread this love to those who are most in need of receiving it. We would not be alive without each other nor without the love of God flowing in us and through us. Let's continue to focus on the ways that we are alive, that we "Do Life Together for Christ", that God is at work in and through us. Let's commit to each other and to God to remain invested in living in love. Part of that investment involves us showing up to receive what we need for life - to be fed and nourished by God in worship and fellowship so that God's love can flow into us. Part of that investment involves us giving what God has first given us - sharing our gifts and abilities in the life of the congregation and supporting the ministries through financial and in-kind gifts that not only give life to BBC but in combination with the gifts of other churches give life to the whole world. Part of that investment involves us making time to grow in faith- to learn more about who we are as God's beloved people and how God wants us to share that love with others; through discipleship and outreach opportunities. To be alive is to live the love of Jesus! Gather as the body, Give what God has Given You, and Grow in Faith!

In His Love,

Pastor Shane

Who's excited?! Summer camps are just a few months away! **We are having a camp meeting on March 5th to discuss all the summer camp options and to give out the paperwork required for them.** Please make arrangements to come to the meeting following the service. Lunch will be provided for you and your family that day.

There will be a **Kickoff to Spring Break on March 10th** in the Family Life Center (BBC Gym). This will be a fun evening of games, food and fellowship. The event will start at 6:00 pm and end at 10:00 pm.

Winter Jam is March 12th. The students (7th-12th grade) can ride the bus to the arena. The bus will leave the church at 2:30 pm. Winter Jam is normally over around 10:00 pm. Bus should arrive back at the church around 10:30 pm (tentative). Please remember that if a student rides the bus to the arena, they need to ride back to the church to be picked up for safety reasons. Cost for Winter Jam is \$15 dollars at the door. We will have pizza before we go inside.

If you have any questions, please contact Pastor Chris, cterry@beldenbaptistchurch.com or call church office, 662-842-6341.

Keep It Lit – Matt. 5:16

Senior Adult Ministry:

This month is really off to a great start. Our men and boys will be able to enjoy a "Wild Game Dinner" together on March 7th. We have Jess Dille from Lake, Mississippi, an avid outdoorsman, coming to speak to us. I hope each of our men will come and bring a friend. The food will be plentiful and it is a perfect time to bring others in to hear the gospel.

Now that we are finally beginning to shake off the cold bleakness of winter. We are looking at many events for our senior adults. We are planning opportunities for fun and fellowship, but we are also looking forward to being able to minister to others.

I don't know about you, but I am really looking forward to warmer, longer days. I am in anticipation of a season full of buds and new growth. Soon, all around us everything will be in bloom, new plants will begin to burst forth from the ground. What a perfect example of the gift Christ has given us. Through Him we are able to break out of the pointless, struggle of our old life and become a new creation. Looking around you can't help but think about the transformation that takes place in one's life upon acceptance of Christ. Also, in looking around you see those caught in the same chains each of us once wore. We have the good news, the gospel so many need to hear in order break out of their old life just as each of us have. Let's share it with those God places in our path.
