BELDEN BAPTIST CHURCH
DOING LIFE TOGETHER!

WORD FROM PASTOR SHANE

It's Time for a Change!

On Sunday, November 1, we will turn our clocks back one hour as Daylight Saving Time comes to an end. Most of us will enjoy that extra hour of sleep! But as we adjust our clocks, I want to challenge each of us to consider a much more important question: What needs to change in my life for me to become the disciple and disciple-maker Jesus has called me to be? The Christian life is a life of continual transformation. Romans 12:2 reminds us, "Do not be conformed to this world, but be transformed by the renewal of your mind." Following Jesus means allowing Him to continually shape our priorities, attitudes, and actions.

As we change our clocks this November, perhaps it's time to consider a few other changes. Maybe it's time to change your priorities. Are you making time for God's Word, prayer, and growing in your relationship with Jesus? Spiritual growth doesn't happen by accident. It requires intentionality. Maybe it's time to change your perspective. Church is more than a place we attend. We are people sent on mission! Jesus commanded every believer to make disciples (Matthew 28:19–20). Disciple-making isn't just another church program; it is our calling. Maybe it's time to change your relationships. Who are you intentionally helping to follow Jesus? Who is helping you grow? Through D-Life, we are learning that discipleship happens as we walk through life together, study God's Word, pray, and share the gospel. Maybe it's time to change your willingness to obey. Is there something God has been prompting you to do that you've been putting off? Perhaps it's joining a D-Life group, sharing your faith, or investing in someone else's spiritual growth. Don't wait for a more convenient time to obey!

Here's something worth remembering: We cannot turn back the clock on yesterday, but by God's grace, we can make changes today that will impact eternity.

I am grateful for what God is doing at Belden Baptist Church, but I believe He has much more in store as we continue growing together in Christ and making disciples who make disciples. This November, don't just change your clock. Ask God to change your heart, renew your passion, and strengthen your commitment to His mission.

What one change do you need to make today to become more like Jesus and help someone else follow Him?
