Bring the family for a fun night of candy and community!

WORD FROM PASTOR SHANE

Jesus Is Better!

Over the past several weeks, we have begun our journey through Hebrews in our series, “When Better Is Best.” The message of Hebrews is clear: Jesus is better because Jesus is best. But Hebrews does more than teach us who Jesus is. It calls us to faithfully follow Him. That connects directly to our mission at Belden Baptist Church: “Building relationships that lead people to be passionate followers of Christ.”

We want to be more than people who know about Jesus. We want to be disciples who follow Jesus and help others follow Him. Disciples make disciples.

Hebrews reminds us that we need one another. We are called to encourage one another, challenge one another, and keep pointing each other to Christ. That is what happens through our D-Groups and other intentional disciple-making relationships.

This month, I want to challenge you to ask two questions: Who is helping me follow Jesus? Who am I helping follow Jesus?

As we continue through Hebrews, keep your eyes fixed on Jesus. Follow Him faithfully, and intentionally help someone else do the same. Jesus is best. Let’s follow Him—and make disciples who make disciples.

When everything else competes for our attention and allegiance, Hebrews reminds us where to look. Jesus is greater. Jesus is sufficient. Jesus is faithful.

Jesus is not merely better. Jesus is best.
