

# Westfield

Step right into the Westfield's inviting bright and open entry way with direct access to the elegant vaulted living room featuring a cozy gas fireplace. Off to the other side of the space, you'll find the kitchen and dining areas anchored by a large center island.

This one level living home includes a convenient office off the living room and 3 bedrooms. Two bedrooms are situated on one side of the home, which share a full bath and offer roomy closets.

The private primary bedroom suite, located on the other side of the home, features a charming bay window, tray ceiling, and en-suite bath, inclusive of separate vanities, luxe tiled shower, and large walk-in closet.

If more room is needed, a bonus area above the garage can be finished, which adds an additional 300 square feet of living space, perfect for a home theater or gym.

Additional highlights include a pantry closet, convenient main floor laundry, 3 car garage, sidewalk to front porch and expansive patio.
