STYX OCEAN DMCC

ABOUT US

Headquartered in Dubai, STYX OCEAN DMCC is a commercial manager of a handysize fleet targeted at servicing the Dry bulk segment. Our trade patterns display an extensive proficiency in the carriage of major and minor bulk segments viz . mineral ores, fertilizers, steel products and their raw materials, logs, bulk & bagged agriproducts, with a versatile coverage, especially on the Pacific, MENA and African markets.

Backed by solid financial foundations from our founders, together with professional shipping & technical staff that have a combined experience of more than 75 years driving the company, STYX OCEAN DMCC has and continues to assure its stakeholders of professional and reliable service and performance. Moving forward, we intend to consolidate and augment our service proposition derived from this experience into vessel operating.

STYX OCEAN DMCC

OUR SERVICES

CHARTERING & FIXTURES

Our Chartering Desk and commercial team provide the full spectrum of pre-fixture modelling and analysis for the vessel owners and charterers. We cover the vast markets to shortlist the most suitable vessels for the cargoes based on voyage, trip, or period charters terms as per our clients' needs. We will ensure to conclude the deals at fair and competitive rates.

COMMERCIAL & OPERATION MANAGEMENT

Our Commercial Team covers the market very extensively and helps you to get better deals for your vessels. The operations team we have is well suited to carrying out all day-to-day upkeep of our own and operated vessel to the highest standards. Our experts are here to treat all the vessels under our management as of our own.

FREIGHT FORWARDING AND LOGISTIC SOLUTIONS

With more than 10 years of experience in the container sector and vast network of agencies and freight forwarders, we are ready to act as your one stop solution for logistic bottlenecks and consult on the most efficient shipping routes for your cargo flow.

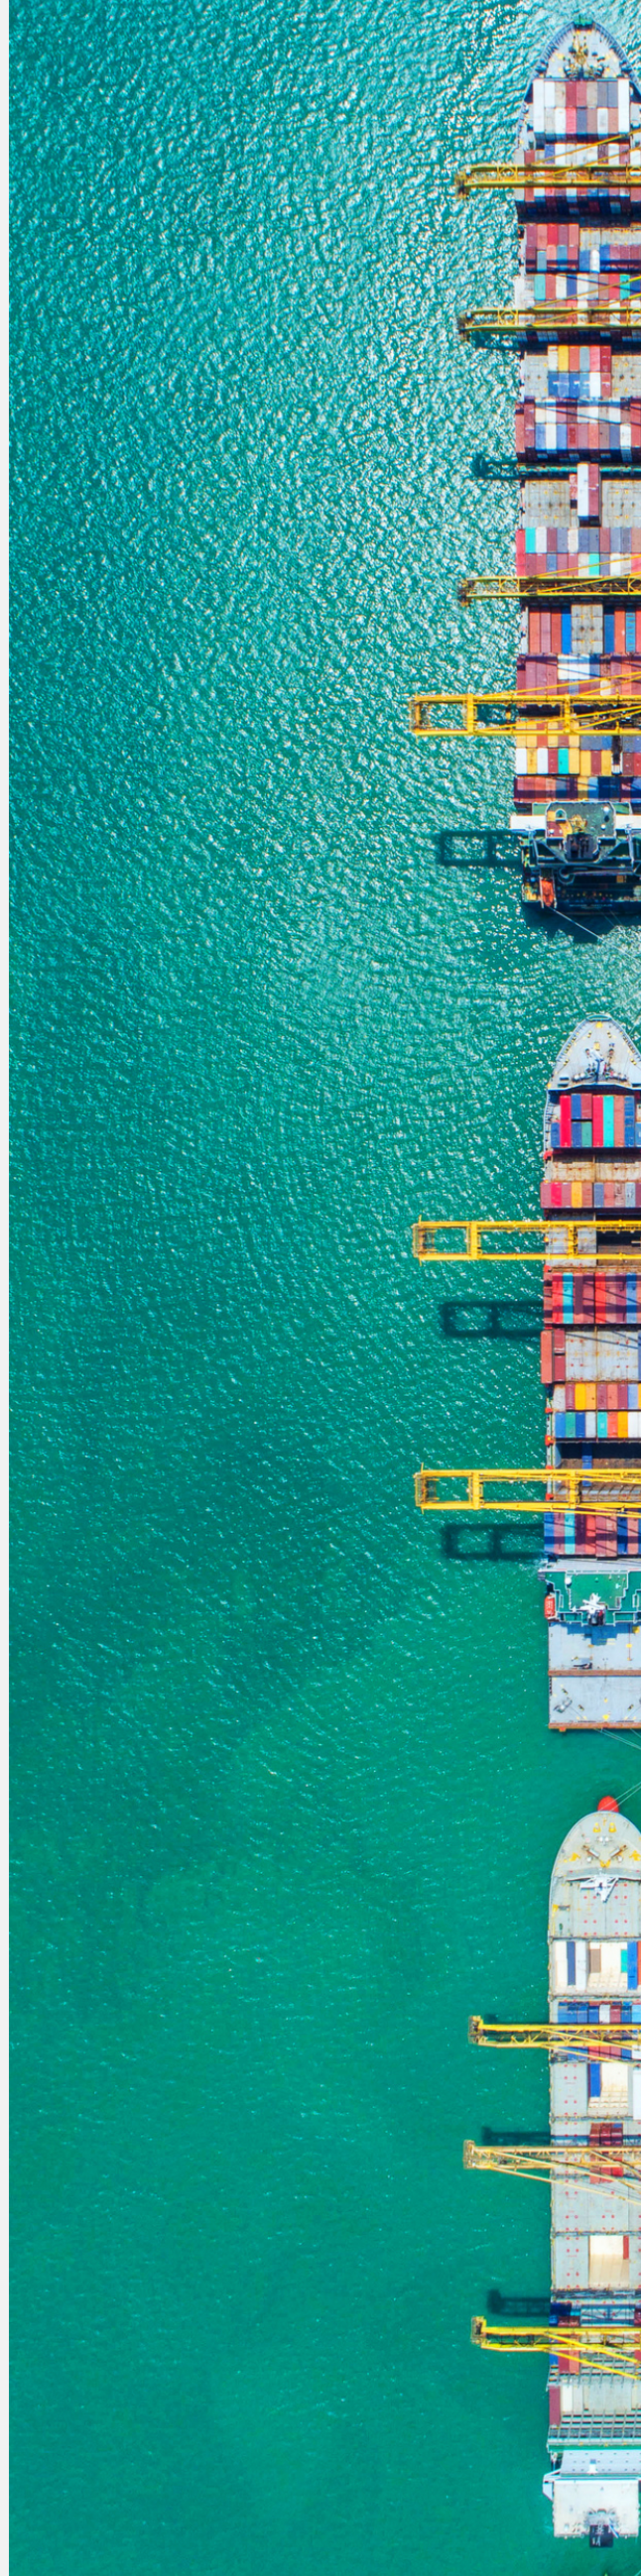

BREAK BULK CARGO HANDLING

Our team is experienced in handling break bulk shipments which includes bagged bulk cargoes, pipes, steel cargoes of various forms (pipes, rebars, coils, wire rods, plates). Our commercial team assists you to plan the shipment and helps to conclude the best possible deal on your intended voyage.

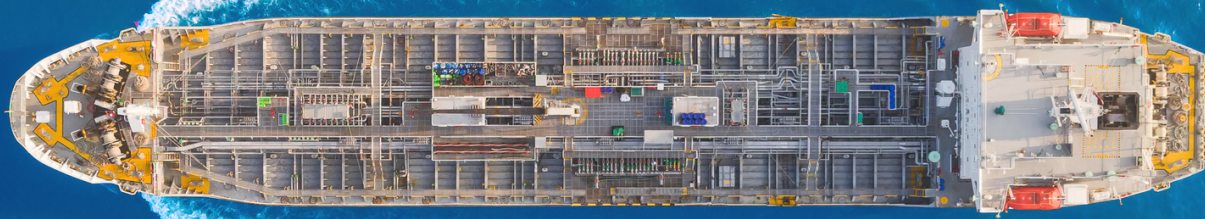

Our experienced team of port captains will help you to finalize the pre-stowing plans and we appoint experts at the port to monitor cargo operation to result in a hassle and damage free shipment.

MARITIME DISPUTE MANAGEMENT AND RESOLUTIONS

Our in-house legal team with hands on experience in handling maritime disputes provides services of problem evaluation, expert legal advice and mediation services to our client.
