I understand that I am participating in a sport, which contains dangers and risks may arise, including but not limited to, accidental injury, the forces of nature and illness. In consideration of the right to participate in these events and the services provided by me and the Cowboy Mounted Shooting Association and it's agents, I have and do hereby assume these risks associated with such events. The contestant shall at his own expense, defend management and/or all sponsors, there cardholders, or employees from any and all such claims and indemnify, from any and all liability, damage and cost arising from injuries to person or property occasioned by any act or omission of the contestant. Membership in the CMSA is a privilege and requires that those who compete in events meet all local, state and federal requirements to legally possess firearms for the purpose of such competitions. Therefore, it is the responsibility of all members to insure that are legally able within the state or country that they are competing in to own and/or possess firearms. If the CMSA is notified by proper authorities of a members inability to legally possess the firearms required to compete in CMSA sanctioned events that membership will immediately be suspended. By joining CMSA, I am agreeing that images of my horse, equipment and myself may be photographed, videoed or recorded in away and re-used without my permission and without compensation. I further agree to support and inforce CMSA rules as stated in the CMSA rulebook. This Solidarity Agreement binds all CMSA Members to inforce CMSA rules and assures our competition card holders that they will play the same game worldwide when they travel for CMSA competitions.
