Completing an application does not a guarantee that your group will be scheduled. While we do our best to match groups with the right opportunities, our first priority is For All Ages programming. For All Ages will contact you to discuss the best opportunity to work with your team. There is a possibility we may not be able to accommodate large groups or specific timing.

All volunteers must review and sign the Volunteer Guidelines and Waiver of Liability form. Volunteers who participate with For All Ages on an on-going basis must complete the individual volunteer application and go through a background check. Read more about volunteering [here](#).
