

## Preparation and Post-Treatment Instructions for Cockroach Treatment

Thank you for choosing Overkill Pest Control for your cockroach treatment needs. To ensure the effectiveness of the treatment and the safety of your home, please follow these instructions carefully:

### Pre-Treatment Preparation:

1. **Remove or Cover Items:** Remove or cover all children's toys, bottles, and other items. Completely empty and cover all items in cupboards and drawers in the kitchen and bathroom.
2. **Pet and Fish Safety:** Remove all pets (dogs, cats, birds, etc.) from the premises. Cover fish tanks and turn off the pump.
3. **Clean and Disinfect:** Wipe out, clean, and disinfect cupboards before treatment to ensure optimal effectiveness.
4. **Furniture and Appliances:** Move furniture a minimum of 1 foot from walls to allow for thorough treatment. Turn off heaters, air conditioners, and fans.
5. **Windows and Doors:** Close all windows and doors to facilitate the treatment process.

### During Treatment:

1. **Vacate Premises:** Vacate the premises and remain outside for at least four hours after treatment. Take all valuables with you when leaving.

### Post-Treatment Instructions:

1. **Ventilation:** After treatment, open windows and doors and turn on fans to ventilate the area for a minimum of 15 minutes before re-entering.
2. **Dry Completely:** Allow the spray to dry completely before putting food back in cupboards.
3. **Clean-up:** When dry, sweep or vacuum up any dead roaches. Do not wipe off the treatment barrier after treatment.
4. **Patience:** Allow a minimum of seven days for the treatment to work effectively.
5. **Questions:** If you have any questions or concerns about the treatment, please don't hesitate to contact Overkill Pest Control.
