

New Light Church

“Senior to Senior” Program

Going to college brings significant change to a young person’s life. Students often leave the communities where they have grown up, breaking the bonds with their local church. Our desire is to keep the connection between our college students and the New Light house. For this reason, we are beginning a program entitled, “Senior to Senior”. From the time your student goes off to college, until their senior year of college, we want to continue to encourage, uplift and connect with them. Our goal is to remind them that we care for them. With your permission, we will periodically have specially chosen members of the congregation offer your student encouraging words (through cards, text messages and phone calls) and other tokens of love. If you are willing to have your student participate in “Senior to Senior”, please complete the following information and return this page to any member at the Youth Events Table in the church foyer or to the main office.
