

PROBLEMS in HIRING?

We at MAVyK Business Solutions believe in the fact that every company must do what they are best in. Moving away from their core competency will make the company suffer in many ways. As a part of knowledge-based industry, the major worrying factors every company must live with are the *employee attritions* and ever-growing *hiring turnaround time*. Unfortunately, most of the companies *don't even realize this as a problem*.

MAVyK is one-stop solution for all your hiring & staffing problems. We don't want you to put your effort & time in these problems; instead focus on your core business activities. **MAVyK** will ensure these problems are solved, in a **cost-efficient** way!

We expect, you do your BUSINESS and leave Hiring/Recruitment to us; after all, this is our core-competency.

BOOTCAMP BASED RECRUITMENT SERVICES

BOOTCAMP recruitment is one of the most demanding currently. Most organizations are looking to fulfill their specific manpower requirement based on their project needs. It gives flexibility to the business owners to hire resources with the knowledge & expertise meeting their specific needs on demand.

This is the option for all employers to handle special projects, staff shortages, and workload fluctuations. MAVyK carefully understands your specific needs and can arrange resources at specific intervals as needed. Bootcamps can be arranged based on minimum-requirement.
