

## Capturing The Value of Experience

The Future Service Leaders mission provides a story of hope, where nature and a belief in human potential came together in 1962 to form a special place where life experiences and integrated support services shaped many lives. Today the Rural Vitality Center will cultivate those experiences and apply evidence based strategies to provide culturally rooted and responsive programs resulting in strengthening rural communities, families and schools.

The FSL Brings you ***The Reimagine Rural Campaign*** as we offer many ways to permanently honor and recognize contributions to The Rural Vitality Center as well as serve members and community leaders through our naming opportunities.

The opportunities that are listed will be featured around our transformative experiential facilities on the Rural Vitality Center Campus. Please contact us for specific information about the available naming opportunities and the levels of giving required.

Gifts to the campaign may provide tax and income benefits. The campaign will accept cash gifts pledged over three-to-five years; appreciated stocks, bonds and other forms of securities. We would be happy to discuss these options. We also encourage prospective donors to consult their own legal or financial counsel to determine the best method of gifting.

The success of the **FSL Facilities** will not be possible without donations from our generous supporters. The **FSL** relies heavily on private funding to fulfill the important roles we play throughout our community, within our schools and at home with our families.

The **FSL's Rural Vitality Center** is a valuable community asset and resource that will enhance positive school culture, trauma-sensitive & wellness, leadership, relationship building, and social-emotional learning for communities, families and schools. When you give a gift to the **Future Service Leaders Foundation** you give a gift to the entire community. Future generations will thank you in actions not always words

### **Major Opportunities**

(Over \$500,000)

Main RVC Building  
Conference Center  
Distance Learning  
Center CTE Center  
Pasture Amphitheater  
Exploration Center  
Retreat Center

Donors will receive a **donation receipt** as written acknowledgment from The Future Service Leaders Foundation for any monetary or non-monetary contributions made by a donor. This donation receipt will act as official proof of the contribution, and help donors claim a tax deduction. Each donor receipt will include the **name of the donor**, the charity's **address** and EIN.

If you have any further questions, please send us a message on the website so that we can get back to you as soon as possible.

Thank you,

Future Service Leaders Foundation
