

You've trained hard  
for your Diver Medic  
Technician  
certification and have  
been taught that not  
every situation is black  
and white.

Put some color in your  
pocket with  
credentials confirming  
your training and your  
commitment as a  
Rescue Diver.

Pride in what you do. Pride in  
the badge you wear.™

# RESCUE DIVER
