

Red Lion Recreation
Summer Day Camp Behavior Standards

I will:

1. Show respect for the counselors by following the rules and instructions
2. Respect other Day Campers by listening to what they say
3. Keep my hands to myself
4. Use toys and equipment properly and respectfully
5. NOT use bad language
6. Use manners and words like “please”, “thank you” and “excuse me”
7. **Most importantly**, have fun!

I understand that if I do not follow the rules and policies of the Summer Day Camp it may result in the following consequences:

- I will have to sit in time-out and be removed from the activity.
- A phone call to mom or dad about my inappropriate behavior.
- If my actions are severe enough, I could even be expelled from camp.

I am responsible for my actions and attitudes.

I will work to solve differences with others in a positive, non-physical way and will seek help from Summer Day Camp staff if I need it.

Please sign below and return it to Tess Croy, Recreation Director, by Friday, June 10th or the first day of camp.
