

Earn Product with Mannatech's Loyalty Programme

Loyalty Has Its Perks!

It's easier than ever to receive all of our remarkable products at the lowest prices every month. Simply set up a Monthly Subscription and start earning rewards!

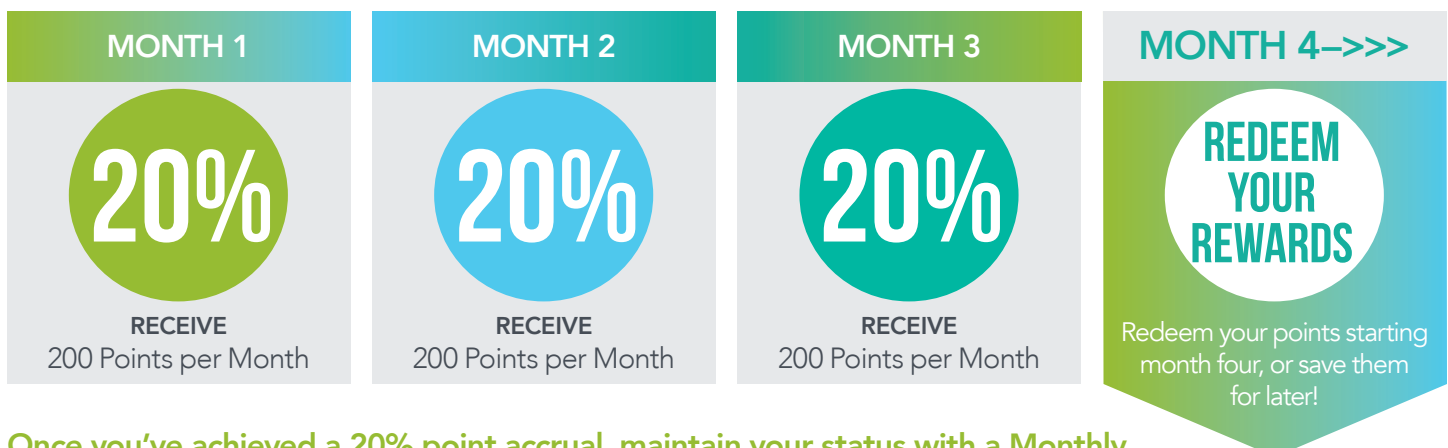

Program Perks Include:

- Never run out of your **favourite products**.
- **Earn Loyalty Points** for Associates and Preferred Customers with a Monthly Subscription.

One Loyalty Point = 1 Rand towards the purchase of products. Points are not redeemable for cash.

Here's How It Works:

Let's say, for example, you place a R1000 Monthly Subscription:

Once you've achieved a 20% point accrual, maintain your status with a Monthly Subscription to continue earning points which can be used to order Mannatech products!

Associate and Preferred Customer Rules and Regulations:

During your first three months, a Monthly Subscription must generate each month for you to retain your earned points. Starting in month four, you'll be eligible to either redeem or save those points. If you miss a Monthly Subscription, you start the three month loyalty cycle over again. However, you will keep any points you've retained from the first three consecutive months. The Loyalty Program FAQs can be found at: library.mannatech.com/9014.

TODAY!**

If you don't have a Monthly Subscription, log in to your account at mannatech.com and create one. Or call us at 011 615 0188 (ZA), or 0800 981 117 (U.S.) (after 0430pm SAST) to start earning points!

For distribution in South Africa only.

If you cancel your Monthly Subscription, your next Subscription will start the three month loyalty cycle over again. Points previously accumulated can still be redeemed. Loyalty Points are not the equivalent of cash and may only be used for product and expire one year after the earn date. Amounts shown are based on Associate and Preferred Customer prices.
