

**San Diego Section  
of  
The American Society for Nondestructive Testing Inc.**

**The San Diego Section is planning the 2019-2020 Education Year.**

It is necessary to determine what NDT courses are needed to support member needs. We have had immediate requests for virtually all NDT methods, that being stated we now need to establish a priority for each method.

I now look to you the membership or potential member for an immediate response so I can to determine / develop an education schedule.

**A Class Schedule will be developed based on Student Interest.**

Courses with high demand are:

Course	Hours	Member Cost	Non-Member Cost
Radiographic Testing; Level 1	40	\$650.00 (CC \$673)	\$725.00 (CC \$751)
