**Registration Deadline is January 10, 2020.**

**Note minimum class size is 5**

**If this class is not filled by the registration deadline the course will be rescheduled.**

Contact Information / Class Registration:  
Gary Bass (619) 794-6118  
[gbchulavista@aol.com](mailto:gbchulavista@aol.com)

**Tentative Class Dates:**

Date: Saturdays 07:00AM – 3:30 PM  
February 8, 2020 (Level I)  
February 15, 2020 (Level I)  
February 22, 2020 (Level II)  
February 29, 2020 (Level II)

Basic Outline of Course to be presented;

Level II

Level I

- \* Introduction to Magnetic Particle Testing
- \* Magnetic Particle Processing
- \* Magnetic Particle Test Methods
- \* Magnetic Particle Test Equipment
- \* Magnetic Particle Indications

- \* Inspection Procedures
- \* Magnetic Particle Test Process Controls
- \* Test Procedures and Standards
- \* Safety Health, and Disposal

A detailed course outline will be provided as part of the final documentation package upon course completion.
