October Meeting Report

October 01, 2019 the San Diego Section hosted the 2nd Section Technical Meeting of the 2019 – 2020 year. The meeting was held at the Seven Seas Lodge, 411 Hotel Circle South, San Diego, CA with 18 members and guests in attendance.

The speaker for the evening was Mr. Randy Jones. The topic of his presentation was “Corrosion is Where You Find It”. Mr. Jones provided a bit of Ultrasonic testing 101. Have you ever wondered how ultrasonic techniques reveal corrosion in steel? How is it detected and once detected what should I do next? Applications discussed were Nuclear, Petro-Chemical, and Aviation on how corrosion begins and the amount of corrosion damage. This talk provided a learning experience in Ultrasonic Inspection. The presentation concluded with a lively Q/A session and a great round of applause.

The Section thanked Mr. Jones for his talk and presented him with a Certificate of Appreciation and a Speaker Gift.

The meeting concluded with raffles and the recognition of visiting vendors representing Randy Jones with Baker Hughes a GE Company, Jim Lyttle with Test Equipment Distributors, LLC, and the Matthew Kaparic with Advanced Test Equipment Corp.
