### CHORAL ENSEMBLES AT ROCK HILL HIGH SCHOOL

There is a choral ensemble for every student at Rock Hill High School regardless of their experience or age. Directors will assess student ability and ensemble balance throughout the year. Students may be re-auditioned before the Winter break for class changes beginning in the Spring semester.

**Bel Canto** – Non-auditioned group for all soprano and alto voices, grades 9-12. This choir performs at all choir concerts throughout the year, and may participate in UIL adjudicated activities. Emphasis is placed on the basics of music theory and literacy, with a special emphasis on the basic knowledge of solfege and sight-reading.

**Mixed Choir Tenor Bass** – Non-auditioned group for all tenor and bass voices, grades 9-12. This choir performs at all choir concerts throughout the year, and may participate in UIL adjudicated activities. Emphasis is placed on the basics of music theory and literacy, with a special emphasis on the basic knowledge of solfege and sight-reading.

**Mixed Choir Soprano Alto (Bella Voce)** – Auditioned group for sopranos and altos in grades 9-12. This ensemble performs at all choir concerts throughout the year, participates in UIL Concert and Sight Reading, and performs for school and community events as well. Continued emphasis on music theory and literacy, building independent skill and confidence in solo literature, and preparation for Varsity Choir ensemble.

**A Cappella Choir** – This is the Varsity Mixed Choir at Rock Hill High School. Membership is open to all students in grades 10-12 through an audition in the Spring of the previous year, or through approval of the choir directors. Membership is limited to approximately 40-50 students.

Music study includes exploration and performance of four-part music and advanced repertoire in all styles and time periods, along with a continued emphasis on sight-reading, solfege, and rhythm skills. This ensemble participates in all UIL music contests and tours each spring.

**Blue Note** – This ensemble is a contemporary a cappella and chamber choir ensemble. Membership is open to all choir students, grades 10-12, through audition in the previous Spring (limited to approximately 14-18 students). Members of this ensemble display the highest levels of musicianship in sight-reading, improvisation, and showmanship. Some rehearsals are held after school throughout the school year.

### PROSPER ISD PRIVATE LESSON PROGRAM

The Prosper ISD Private Lesson Program gives each student the opportunity to take voice lessons at school for a reasonable fee of \$25.00 per 30-minute lesson. The lessons are scheduled either during class, over the lunch period, or after school. Times are limited and will be filled on a first-come, first-served basis. All choral students are encouraged to take advantage of this opportunity. In each lesson, students will practice sight-reading, prepare for All-Region auditions, PISD Vocal Solo Festival, choral auditions, and Voice Recitals. Contact your choir director for more information.

## GRADES

### 60% Rehearsal & Class Work

#### *Technical Proficiency and Improvement*

- **Ensemble Performing/Rehearsal (participation and music skills).**  
Graded regularly during the rehearsal.
- **Technical Proficiency.** Selected sections of a music assignment or Sight-reading. This will be graded during the choral rehearsal.

#### *Written Work*

- **Homework Assignments.**
- **Quizzes.** Based on work done within the class. Includes recorded sight-reading quizzes.

### 40% Tests & Assessment

#### *Self Reflection and Critical Listening*

- **Performance Critique.** Following each concert/performance, students will complete an evaluation based on their performance as well as the performance of their ensemble. This will be graded on content, use of appropriate musical terminology, and observable analytical skills.

#### *Performance*

- Required performance in at least one concert or music presentation each 6-8 weeks. A student may receive up to two test grades per performance (Performance and attendance, listening/concert etiquette).

### Final Performance-Based Task

To be announced each term. The final exam may be written (simple theory, music history, fundamentals of singing, etc.) or performance based task (sight reading, excerpt from a prepared selection).

## **Remediation**

Remediation is only offered for concert absences discussed with the director prior to the absence, or in the extreme case of sudden illness or family emergency. The director will assign a project to “make-up” the concert grade. This will include, but is not limited to, watching a recording of the entire concert and writing a critique, singing through your choir repertoire to show individual knowledge and skill, and other projects as assigned. This make-up assignment will require at least as much time as the warm-up and concert (approximately 1 ½ hours). This will replace the individual performance grade.

## **Attendance**

Extra rehearsals and concerts are an extension of the classroom, and students will be graded accordingly. These required choir activities are the “assessment” of the choral program and the circumstances of the “test” cannot be duplicated at another date or time. The dates for all concerts are presented to each student/family at the beginning of the year. If a student chooses not to participate in a required choir activity, even if that activity occurs before or after school or on the weekend, they will receive a grade of “0” which will dramatically affect a student’s grade for the grading period. All choir activities are a team effort; therefore, attendance is required, regardless of whether or not the student thinks attendance is needed.

Unexcused absences are determined by the choir directors, and may include:

- Lack of a ride (ask a friend IN ADVANCE or inform your choir director, who can help you make arrangements!)
- Non-school related activities (club sports, dance or music recitals, parties, birthdays, etc.)
- Job (having to work is NOT considered an excused absence)
- Trip or family planned activity
- Other circumstances as determined by the choir directors

Failure to participate in required choir activities will negatively affect a student’s grade, possibly causing the student to fail choir and could also affect a student’s future placement and participation in ensembles at Rock Hill High School.

**Grades are updated frequently and are available on-line by logging in to Skyward.**

## **ELIGIBILITY**

All choral ensembles adhere to the eligibility rules and regulations as stated by TEA and Prosper ISD. To be eligible to participate for a nine weeks period following the initial six weeks of the school year, a student must not have a recorded average lower than 70 on a scale of 0 to 100 in any course for that preceding nine weeks period.

Any student whose recorded grade average in any course is lower than 70 at the end of a nine weeks period shall be suspended from participation during the succeeding six weeks period. However, a student may regain eligibility seven calendar days after the succeeding three-week evaluation period if the student is passing all courses on the last day of the three-school-week period (this includes a grade of at least a 70 on a scale of 0 to 100).

## STUDENT EXPECTATIONS

Your choral ensemble's performance is directly related to your rehearsal. Participation is a factor in determining the quality of the finished product. Students must always work to focus with mind and body. The following are expectations designed to assist us all as we strive for excellence.

- **Be On Time and Be Prepared!** All students are expected to be in the choir room, prepared for class on the risers with binder and pencil, prior to the bell. Trips to the restroom, water fountain, and lockers are to be taken care of prior to the beginning of rehearsal.
- Cell phone use is at the discretion of the directors in the choir room during rehearsals.
- **Absolutely No Food, Gum, or Drinks are allowed in the Choir Room.** Failure to observe this expectation will result in choir service being assigned to the student – Water bottles with a lid or cap are the only exceptions.
- **The Choir Director's Office is Off Limits to Students.** This also goes for all storage rooms, the practice rooms, and the choir library. The piano in the choir room, as well as choir room stereo and all computers, are not for student use.

## **LETTER JACKETS**

The Prosper ISD Fine Arts Department has implemented this program to allow a student involved in a choir the opportunity to accumulate points towards an award jacket. Once a student accumulates the needed 100 points, they will be given a date for the next available fitting. While the directors will submit students that qualify on the award jacket fitting list, **it is up to the student to maintain their award jacket form, not the directors.**

This Award Jacket Application form is located on a bulletin board in the choir room, and available on the choir website.

## **PARTICIPATION FEES**

A participation fee of \$100 will be assessed at the beginning of the school year for all students not in the A Cappella Choir. The choir fee for the A Cappella Choir will be \$125 for the year. This fee is due at the same time as the Student/Parent Handbook Agreement and PISD Choir Medical Form.
