## Thinking about auditioning for the 2025 TMEA Region 24 Choir?

*Would you like to get a head start on several pieces of choral music that might be a bit more challenging than the music you will sing in your choir?*

*Are you an incoming Freshman choir member that is looking to make the big jump from Middle School to a 5A or 6A High School in the Fall?*

The Prosper ISD 2025 District Choir Workshop is just what you need! One day only (August 1, 2025) of advanced music learning, skill building, audition practice and procedures, and building confidence at Prosper High School. All of the first round Texas All-State music will be taught by master teachers and clinicians.

---

**Date:** Friday, August 1, 2025

**Location:** Prosper High School

**Cost:** \$30 for students that  
NEED audition music

\$15 for students with music

The first round of All Region Auditions (the “district round”) will be after just four and a half full weeks of school. Get a head start on the audition music by joining us. Come sing with the best in the Prosper ISD!
