### Christmas Events Recap

**Toy Mountain Drive 2020:** We fell short of toy numbers we have achieved in past years but the RSCA is very pleased with the results considering the pandemic and our inability to hold our annual parade. Toy Mountain representatives were impressed with our collection!

**Christmas Lights Tour:** Riverside South went all out this year brightening the neighbourhood and 98 homes registered their homes on our online map. Thanks again to Moncion's YIG for their generous donation of 10 gift certificates that went to the lucky draw winners!

### Support Our Local Businesses!

You can also see a **directory** of our local businesses or add a listing here: [riversidesouth.org/sign-up](https://riversidesouth.org/sign-up)

**Parks and Recreation Facilities Master Plan**

The City is looking for your feedback on the first Parks and Recreation Facilities Master Plan. The plan will provide a framework to help the City determine what municipal parks and recreation facilities we will need in the next ten years to serve the needs of residents. This master plan will be part of the City's New Official Plan, which will be adopted in October.
