Spring Cleanup - April 26

The snow is all gone and the accumulated litter is piling up — please join us in cleaning up the community!

Saturday, April 26*, pick up your kit from the RSCA tent at Rideauview Community Centre (4310 Shoreline Drive) between 10am and 12pm and then go to your chosen clean up area.

Ottawa Fire Services will be visiting our event with one of their fire trucks from 10am-11am!

HIGH SCHOOL STUDENTS: this is a great opportunity to earn some Community Volunteer hours! Remember to bring your volunteer hours sheet to the RSCA tent after you're finished collecting and one of the RSCA board members can sign for your hours.

Cleanup safety tips can be found on our website's Spring Cleanup page: **riversidesouth.org/spring-cleanup**

If we need to reschedule due to the forecast, an announcement will go out on our social media and an email will be sent to our newsletter subscribers.

*The rain date is Sunday, April 27, 2025

Become a Canada Day sponsor!

Canada Day is always our biggest event of the year, and our goal is to make 2025 even more memorable than years past! Attractions will include: inflatables, miniature train ride, rock climbing wall, laser tag, mini golf, obstacle course, human foosball, dunk tank, shows by Little Ray's and Junkyard Symphony, toddler zone, live DJ, face painting, balloon clowns, and more!

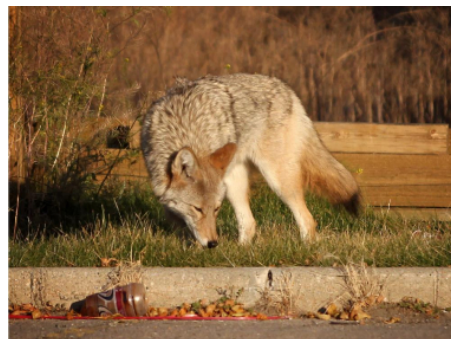

We can't organize such an event without the support of sponsors, so for our 2025 Canada Day event, we are again offering a tiered sponsorship recognition system. We strive to be fiscally responsible with your valuable contributions and to provide as much exposure as possible for your generosity.

To become one of our valued sponsors, please review the sponsorship package on our **Canada Day page** and **contact Andrew**, our business director.

Coexisting with Coyotes

Coyote sightings in our neighbourhood are common and we have created a dedicated page on our website with facts about our furry neighbours. The page includes information on how to keep them from becoming bold and what to do if you should encounter one close up. They are part of our environment and we can co-exist peacefully.
