NBCRC is very proud to partner with Victory Therapeutic Horsemanship. VTH was founded to provide veterans in Central PA a much needed equine therapy program at no cost. Studies have shown therapeutic riding has a positive effect on veterans with Post Traumatic Stress Disorder (PTSD) as well as other ailments. All races will start and end at NBCRC. The 10K route starts as a road race and will finish on the Ray Amato Trail along the River and a cool run through the wood. The 5K race will start and finish on the trail while also taking a loop thru the Park View Estates. Both runs & 2 mile walk will give participants the opportunity to honor a beloved veteran. If you preregister for this race we will display the name of the individual you wish to recognize. Ribbons will be provided to wear the day of the race to show your support.
