Dear _____,

The Northern Blair County Recreation Center has begun its plans for the 12th Annual Labor Day 5K Pump & Run. This is a unique running event that includes a weight lifting element to reduce the runner's time. We will offer a 1-mile walk to raise funds for our youth services and sponsorships of youth that cannot afford to participate in programs offered through the Recreation Center. The event will take both runners and walkers through the scenic Ray Amato trail of the Recreation Center.

We are asking for your continued support to promote families living healthier and more active lifestyles. Your sponsorship of this event can make a difference for individuals in our community.

On behalf of the Northern Blair County Recreation Center we would like to thank all of the individuals and businesses that continue to promote fitness in our area. Your support allows us to continue to provide activities and events in Northern Blair County.

Please help us continue service to our community by sponsoring in one of the following ways on the accompanied brochure. Keep in mind that the Northern Blair County Recreation Center is a 501 C 3 nonprofit organization so all donations are tax deductible. We greatly appreciate your generosity and support for our local community.

Thank you for your consideration in making a contribution. We will work diligently to assure the recognition of your support.

Sincerely,

Bill Harshman
