

Campbell High School: We're Spartan Proud

CAMPBELL HIGH SCHOOL GRADUATION 2023-2024 SCHOOL YEAR

Each year, the student with the highest single-session SAT score is named as a school's STAR Student. This student is then asked to choose a teacher who has made a strong and lasting academic impact on him or her. Last year's STAR student is **Zara Khan**. Zara picked, as her STAR Teacher, a teacher who has had a great impact on her life here at CHS over the last few years, **Ms. Melyn Roberson**.

Three CHS seniors from the class of 2024 were named as National Merit Scholarship Finalists: **Sophia Higgins**, **Maariya Sheikh**, and **Zara Khan**. As of October, this year, we have six Commended Scholars and four National Merit Scholarship Semifinalists.

Every year, the Georgia Department of Education identifies and honors high school seniors who have achieved excellence in school and community life through the Georgia Scholar program. Each honoree receives a seal for their diploma. The Georgia Scholar designation is a recognition of their leadership and diligence. In 2024, only 177 students will receive this honor. One of those students was a CHS senior - **Marissa Copeland**.

Two CHS seniors were named as Vanderbilt University Chancellor's Scholars (*there are only 25 of them nationwide!*) - **Brandon Buchalter** and **Maariya Sheikh**.
