

Meet a Board Member

**Kahlillah Dotson Mosley**  
*SEF Board President*

Smyrna Education Foundation Board President Kahlillah Dotson Mosley has been serving with the organization since 2018. She is a familiar face around Smyrna schools, bringing a wealth of experience and passion for education to classrooms as a substitute teacher for past 10 years. With an undergraduate degree from Tufts University, Kahlillah moved to Smyrna in 2001 to pursue a Masters of Architecture degree from Georgia Tech. Kahlillah and her husband Keith have 3 children attending King Springs Elementary, Griffin Middle School, and Campbell High School. Kahlillah encourages parents to be an active part of their student's educational environment - attend school events, volunteer, and support the teachers and staff.

**Helping Smyrna Schools**

Do you know all of the ways our foundation helps our schools? Not only do we provide grants twice a year, but we also volunteer at school events. Last school year, we volunteered at Argyle Elementary's Book Fair, Campbell High's Career and College Fair and many more. We understand that staffing school and community events can be tough. If you need an extra set of hands to help, email your school liaison or our email address below.

**2024 Mini Grants**

SEF is excited to report that \$7,000 in grants was awarded to our 14 schools. Each school received \$500 to support field trips and learning experiences for Smyrna students.

**Helping Smyrna Students**

SEF wants to keep our kids reading. We regularly collect donated books and stock the Little Libraries located throughout the Smyrna community.

**Volunteer Opportunities**

*Build a Book Box*

SEF is currently seeking volunteers to build and/or repair Little Libraries around Smyrna.
