Delivery

We can deliver medications to your home, free of charge. We prioritise those who are unable to attend the pharmacy. Please ask us about our delivery service if you think it is something that you need.

Medication Containers

All medications are dispensed either in their original packaging, or in child-resistant containers, unless you request otherwise (e.g. if you have dexterity issues). Keep all medicines out of reach and sight of children. Our pharmacist can advise you on the safe storage.

Prescriptions

We collect prescriptions from Woodlands, Bron-Y-Garn and Llynfi Surgeries, and are live with Electronic Prescribing. To order your repeat medication, use the NHS Wales App, or drop your request form into the surgery. If you require a repeat slip, let us know, as our dispensing system is paperless by default.

Medicines Sales

We keep a wide range of over-the-counter medicines, vitamins and minerals.
