What is Ignite the World Ministries?

A home & foreign mission outreach & evangelism ministry to local churches and missionaries. Our focus is to assist them in reaching the young people in their communities with the gospel!

Where does Ignite the World Ministries serve? Acts 1:8 —

Bardstown,
our Jerusalem;

Kentucky, our Judea;

America, our Samaria;

and the uttermost
parts of the earth.

Why Ignite the World Ministries?

"The god of this world hath blinded the minds of them which believe not, lest the light of the glorious glorious gospel of Christ, who is the image of God, should shine unto them." 2 Cor 4:4
"Open their eyes, and to turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins." Acts 26:18

Why the focus on youth?

Children and teenagers are nearly half of the world's population, yet as little as 10% of mission efforts are directed toward them.

A Barna Group study indicated that nearly half of all born again Christians in America made their decision before age of 13 (43%), and 2 out of 3 (64%) were prior to 18.

Just 60 years ago in America, most people went to church, believed in God, and believed the Bible was the Word of God. Now, only 2 in 10 Americans under the age 30 believe attending a church is worthwhile. This country needs to be set on fire for the Lord again. The place to start is with the leaders of the future.

How does Ignite the World Ministries serve?

By producing outreach ministry opportunities for churches and ministries:

- Kid's Crusades and carnivals
- Teen Crusades
- Neighborhood block parties
- Mission trips for church groups, individuals, or youth to participate in above outreaches on both foreign and domestic fields.
- Basketball sports camps outreaches
- Bible and tract distribution
- Inner city outreaches
