May 2021

Greetings from the Schott family,

Spring has sprung in Kentucky! Around here that means we can have weather that varies from freezing to blazing hot all in one day! For our family it means many things! First, school will be wrapping up very soon! This academic year has gone by quickly, but both Ashley and the kids are ready for summer break! Two of our girls, Abegayle and Marybrooke, have gotten jobs in the past few weeks, and are excelling at both of them. Abegayle is working for Chick fil A and Marybrooke just started at an ice cream shop here in Bardstown. It is a bittersweet adjustment for us as parents, but exciting to see the girls spread their wings some.

Spring also means that the season is finally coming for our ministry to get rolling! Praise the Lord the pandemic seems to be clearing and we are in full swing of booking events! We have several things on the calendar already and are anticipating more as the year goes along! In between events I am still working as the Operations Manager of the lawncare company I started with last year. I am praying that in the future I will be able to take over, or start my own company, to be better able support our family and ministry.

There is one particular thing I would ask you to pray for. In April our family took a trip to the Cincinnati area and were burdened to do an outreach in the city. We found several places that would be ideal for a one-day event in downtown Cincinnati. There is huge potential to get the Gospel out to hundreds of people with this outreach. Will you please pray with us that we get approval to set up in one of the sites we found, that we find a church that wants to follow up with ministering to these people, and that God would lead the way in this endeavor!

We ask you to continue to pray for us as we travel to present our ministry, preach the Word of God, do events, and encourage churches to reach a lost and dying world with the Gospel. Please pray for open doors to raise ministry support, monthly financial support and provision to purchase ministry equipment. We are currently at about 1% of our monthly support. If you would like to contribute to our ministry needs or support Ignite the World Ministries monthly, you can send your tax-deductible donations or support to: Central Missionary Clearinghouse PO Box 219228 Houston, Texas 77218-9228 or login to [cmcommissions.org](http://cmcommissions.org). Thank you for your prayers and support!

By His Marvelous Grace,

*The Schott Family*
