Buenos Aires, Argentina

Overview

The Americas Region Communications Committee is established to enhance and streamline communication within the International Federation of Air Traffic Controllers' Associations (IFATCA) Americas Region. This committee will provide valuable insights to the Americas Region Executive Vice President (EVP) regarding the state and future direction of internal and external communications. The committee will consist of a chair and members appointed by the Americas EVP appointed annually in conjunction with regional meeting. The chair will manage the committee and report to the Americas EVP.

Punta Cana Tower

Duties of the Americas Region Communications Committee

The committee's duties include:

- Supporting and guiding the Americas Region on communication strategies.
- Coordinating with the EVP on necessary internal or external communications.
- Taking initiative on standard or repetitive communications.
- Maintaining an updated log of all communications on behalf of the Americas Region.
- Keeping an updated record of all communication-related expenses.

June 25 · 🌐

IFATCA is a global organisation, but we think it feels like family even so.
EVP Americas Trish Gilbert talks about the importance of our diverse and talented members being safe, seen and valued.
Our members are our strength, our members are IFATCA.
