Equality is about ensuring that each individual or MA is given the same opportunity, status and rights.

La **Igualdad** consiste en garantizar que cada individuo o MA tenga las mismas oportunidades, estatus y derechos.

Equity recognizes that each individual or MA has varying circumstances and needs, and therefore needs different resources and opportunities to reach an equitable outcome.

La **Equidad** reconoce que cada individuo o MA tiene diferentes circunstancias y necesidades y por lo tanto, necesita diferentes recursos y oportunidades para alcanzar resultados equitativos.

EQUITY

Diversity recognizes that every individual is unique, and doesn't limit gender, ethnicity, religion, sexual orientation, age or disability.

La **Diversidad** reconoce que cada individuo es único sin limitarlo en género, étnia, religion, orientación sexual, edad o discapacidad.

Inclusion is when everyone has the opportunity to learn, develop, contribute and achieve while feeling safe to be themselves.

Inclusión es cuando todos tienen oportunidad de aprender, desarrollarse, contribuir y alcanzar logros mientras se sienten seguros de ser ellos mismos.

IFATCA recognizes that all MA's have different needs, which we try to meet equitably.
