Regional Meetings (RMs) are held annually in the Fall

- To fulfil IFATCA's objectives to protect & safeguard the interests of air traffic controllers & the profession
- To promote & uphold a high standard of knowledge & professionalism among air traffic controllers through the origination of policies & sharing of knowledge
- To create, maintain, & enhance the worldwide fellowship of air traffic controllers

While the RMs allow for attendees to learn, share essential information, & provide for a continuous exchange of ideas & experiences. It is also imperative that we teach & encourage our MAs to demonstrate their value by seeking to develop a collaborative & effective relationship w/aviation authorities & ANSPs

Last year's regional meeting in Punta Cana, Dominican Republic

Objectives of IFATCA

The objectives of the International Federation of Air Traffic Controllers' Associations are:

- a. To operate as a **non-profit and non-political** federation of air traffic controllers' associations;*
- b. To promote **safety, efficiency and regularity** in International Air Navigation;*
- c. To assist and advise in the development of **safe and orderly systems** of Air Traffic Control;*
- d. To promote and uphold a **high standard of knowledge and professional efficiency** among Air Traffic Controllers;*
- e. To protect and safeguard the **interests of the Air Traffic Control profession**;*
- f. To make **mutual benefit affiliations** with other international professional organisations;*
- g. To strive for a **world-wide Federation** of Air Traffic Controllers' Associations.*
