

GLO Preemies Holiday Newsletter 2024

Dear GLO Preemies Family,

As the year draws to a close, we're filled with gratitude and joy reflecting on all that 2024 has brought. It's been a remarkable journey, and we're excited to share some heartwarming highlights as we usher in the holiday season!

Celebrating 10 Years of GLO Preemies!

This year marks 10 incredible years of GLO Preemies! We've had the privilege of serving and supporting countless families, and to celebrate this milestone, we welcomed a dynamic new board of directors who share our passion for uplifting NICU families. We're entering this new chapter stronger than ever!

Restarting the NICU Support Group

One of our most cherished accomplishments this year was bringing back our NICU Support Group with a fresh 4-week session series. These sessions are dedicated to providing a safe space for NICU families to connect, share, and receive invaluable support. The joy of seeing families come together has truly been the gift that keeps

on giving.

Partnering for Something Special

We've been blessed with wonderful new partnerships this year! In collaboration with companies that share our vision, we created a soothing Spa Day Ritual for NICU Infants—helping parents bond with their babies through calming, gentle routines. These small moments of peace have brought light to families during challenging times.

Winter Wonderland—Our Annual Holiday Corner

Our Annual Holiday Corner is back, and this year's theme is Winter Wonderland! From festive activities to holiday tips, this special section is designed to spread warmth and cheer. You can explore all the magic by visiting the "More" tab on our website—don't miss out on this cozy holiday experience!

Holiday Care Boxes

As the season of giving approaches, we are thrilled to continue our tradition of sending out Holiday Care Boxes at the end of November. These thoughtfully curated boxes will be sent to every new NICU family registered with us in 2024, filled with goodies, essentials, and holiday cheer to bring comfort and joy during the season.

November Webinar: Support for You and Your Baby

In the spirit of nurturing, we are hosting a special November 7-episode Webinar partnered with BIRthing the Magic Collaborative designed to help you care for both you and your baby during and after the NICU journey. It's an opportunity to gather helpful tips, connect with others, and

embrace the strength of our community. Stay tuned for the details at the Winter Wonderland corner!

Looking Ahead to 2025!

This will be our final newsletter for 2024, and we can't wait to connect with you again in the new year! Our next newsletter will arrive in early 2025, filled with exciting updates, new partnerships, new programs, and ways to continue supporting our GLO Premies families.

As we gather around loved ones this holiday season, we are reminded of the warmth, love, and hope that guide our mission.

Thank you for being part of the GLO Premies family—we wish you a holiday filled with peace, joy, and beautiful memories.

Wishing you a magical holiday season,

Ashley Randolph & The GLO Premies Team
