

Mizzou Alpha Gamma Rho (Popp – McBee) and Sigma Alpha Scholarship Information

Alpha Gamma Rho and Sigma Alpha have partnered to create these one-time annual scholarships, which include six scholarships that will be awarded to three men and three women. \$4,000 will be awarded in the way of two \$1,000 scholarships and four \$500 scholarships. These scholarships will not be renewed each semester, and they are for school expenses from the University of Missouri. Ideal applicants are seniors in high school planning to attend the University of Missouri–Columbia in the fall of 2024.

In addition to completing this application please provide **TWO** letters of recommendation and your updated resume.

Please mail all documents to the following address with a postmark **NO LATER** than **March 30th, 2024**, or can be emailed to grb3hw@umsystem.edu and jgl54g@umsystem.edu. All emailed documents must be turned in as **one zipped PDF document**.

Please include **two (2) letters of recommendation**. One of these letters is encouraged to speak to your academic success (such as a high school teacher, counselor, or principal) and one speaks to your leadership ability within your community. Also, include an **updated resume** and **completed application form**. These documents will be **due postmarked March 30th, 2024** or can be **emailed to grb3hw@umsystem.edu and jgl54g@umsystem.edu**. There will be an interview on **April 27th, 2024** for all finalists.

Please respond to each of the following prompts on a **separately attached page**. You may include more than one answer per page. Please respond with a typed answer to each prompt in 500 words or less:

1. What are your plans after high school?
2. How have you demonstrated leadership in your community?
3. Describe your involvement in agriculture and how it has impacted your life.
