THE LODGE THAT HAS IT ALL

Monthly Report ✧ ✧

As the weather gets chilly and the leaves begin to change, there's no better time to head back to the club! There's excitement in the air at SNPJ Lodge 6, with bowling, darts, live entertainment, and new activities bringing everyone together. We're looking forward to the 88th SNPJ National Bowling Tournament, October 9–11, 2026! Don't bowl? That's OK! Join us Saturday night to rock the night away with LIVE music featuring Decades! They were fantastic at Slovenefest this year, and we can't wait to welcome them back to our club. Bowling and dart seasons are already well underway, and we're keeping the fun going with plenty of additional activities, including our Comedy Show on October 3 and the launch of Make It Mondays crafting events beginning October 26. Whether you're looking for friendly competition, a night of music and dancing, a few laughs, or a chance to get creative, there's something for everyone. Grab a friend, make plans, and come enjoy the great company and activities at SNPJ Lodge 6. The weather may be cooling down, but things are heating up at the club!

Sincerely, SASC Board of Directors
