Equipment Purchases, Rentals,
Demos and Tuning Services**

Ok then, the snow dances are WORKING. What a season!! As I write this it is snowing in town and they just got 12 inches in 24 hours at the mountain – keep it up!

PAST EVENTS

The club hosted a well-attended Monthly Speaker Series at Bridge 99 on Tues, March 14th. Vanessa Ivey from the Deschutes County Historical Society & Museum filled us in on Bend in the early 1900's highlighting a few of Bend's amazing women from Ruth Reid to Virginia Meissner.

We have one more Speaker Series this season, mark your calendars for Tues. April 11th, Bridge 99 at 5:30pm. Details to follow.

100 Day Celebration. On Wed March 22 skiers, spouses and friends gathered at Sunrise lodge to attend BSC member John Flynn's (and his friend Andy Piernicki's) 100-day celebration. Because John and Andy are Bachelor big shots, also in

attendance was POWDR Corp CEO Justin Sibley! A fabulous homemade lemon cake was served as well as Diane's chocolate chip cookies and other goodies. A fun time was had by all, then back to the lifts we went!

UP COMING EVENTS

Join some of your fellow BSC members for an overnight at West Village in your RV. We will be spending the night of Thursday April 13th parked up there. It's easy to book a spot on the Mt. Bachelor website. Cost for non-powered spot is around \$50.

Then on Friday April 14th look for the Winnebago Micro Mini around 1pm for a potluck tailgate. There will be a small grill to use if you need. Bring something to share and a chair. Please pray for sunshine for this event!!

Wednesday May 3rd at 5:30pm we will be hosting our End of Season party at Aspen Hall in Shevlin Park. It will be a catered event from Bleu Bite Catering. There will be a minimal charge for this event, more info soon. Come on out and talk about your fabulous ski season and your summer plans with friends!

And don't forget the Après Ski at Broken Top Bottle Shop Tue, March 28, 4:30pm. Enjoy good food, beverages and conversation with your fellow BSC members!

Want to get more involved with your club for the 2023-2024 season? Let one of the board members know if you are interested!
