

Bend Ski Club November 2024 Newsletter

Hello Bend Ski Club Members!

Here is a rundown of upcoming events and another reminder about registration.

Registration

Registration is open for the 2024-2025 ski season. Go to the Bend Ski Club [Join Us Page](#). This will walk you through the registration process for ski club membership. All members must complete the registration form (see the link under item 2 on that page). At the bottom of the registration is a liability waiver that must be digitally signed every year. If you have not yet joined the Meetup group there are instructions for that as well.

Kickoff Meeting

We'll see you Wednesday, November 13, at 10 Barrel Brewing East for our Kickoff Meeting. Our featured speaker will be John Merriman, President and General Manager of Mt. Bachelor. Registration is now closed but we have

been able to increase the attendance limit for this event, so if you are on the wait list you will be able to attend. If you are registered but can't attend, please "Edit RSVP" as "Not going" in meetup to so that we have a more accurate count.

Après Ski

The first Après Ski of the year is scheduled for November 26. Join us at the Broken Top Bottle Shop at 4:30 to catch up with your ski buddies as we await opening day. BTBS has an amazing selection of beverages. The Après Ski events will take place on the fourth Tuesday of the month through April.

Holiday Party

Tentatively set for December 9, watch for an update with more details on the holiday party. To attend you will need to be registered for the 2024-2025 season. A meetup for the party will be posted very early in December.
