

### Bend Ski Club Newsletter, January 2025

Happy New Year! The snow keeps piling up and we are well on our way to a fantastic ski season! See below for information on upcoming ski club events and news.

**Speaker Series** For our first speaker of the season we are very excited to have Glenn Voelz return to speak about the Oregon Skyline Trail. Glenn is a West Point Graduate and two-time Olympic trial qualifier. He has worked at both the Pentagon and Whitehouse, was a Fellow at MIT and has advanced degrees from several universities. Having written over a dozen books and journal articles he now focuses on outdoor recreation in Oregon where he lives with his family and is both a professional ski patroller and search and rescue volunteer. You can see his entire bio at his website [HERE](#). We will meet upstairs at Deschutes Brewery on Bond on Tuesday, January 14 at 5:30 with the presentation beginning at 6:30.

### Meetups

Meetups are one of the great benefits of the Bend Ski Club. These give you an opportunity to ski with a group with similar abilities, meet new people, and maybe learn some new parts of the mountain. If you are new to the Meetups there are some things to keep in mind. Check the time and location as these are set by each Meetup leader and can change. Read the description carefully to make sure you are able to ski at the level indicated. And please be on time so that you do not inconvenience the other skiers or be left behind.

**Après Ski** Our next Après Ski event will be Tuesday, January 27 at the Broken Top Bottle Shop. We meet at 4:30 at the Bottle Shop every fourth Tuesday of the month. Enjoy a beverage from their extensive offering while you catch up with your ski club buddies.

### **Northwest Ski Club Council Newsletter**

Check out the latest newsletter of the NWSCC. This always has great information on group trips throughout Europe and North America as well as information on local clubs and opportunities for discounts on ski and athletic equipment and apparel.

### **Ski Connections**

Click [HERE](#) to view the latest PDF of Ski Connections or [HERE](#) if you would like to download the XLS file. This is a roster of our members with contact information (phone and email). If you need a ski partner, or someone to share a hike or a bike ride, look someone up! The roster is sorted alphabetically (by both first and last name, see tabs at the bottom).

That's all for now. Hope to see you on the mountain!
