**10% Discount on Equipment (non-sale items), Rentals,  
Demos and Tuning Services**

**10% Discount on Tuning and Repair Services**

**We have officially wrapped up the 2023-2024 ski season!**

**Even with a slow start to the season we had 87 meetups!** Thanks to all of our meetup leaders for making this happen.

Mark Metildi, Joe Gilles and Dale Champion led the most meetups this season. The following led at least one meetup:

Claudia Hansen	Robert Schipsi	Ruth Martin	Eric Hansen
Tyler Roppe	Joan Lapham	Marlene Lomas	Sue McGlynn
Jim Greenleaf	Dixie Boggs	Don Work	Mark Rabenstein
Ken Robbins	Kurt Springman	Mike Darling	Rod Robinson
Steve Stephenson			

**We'd like to announce our newest BSC board member, Jen Holmquist.** Jen moved from Redding California in 2013 to work as a nurse at St Charles in the Emergency Department. Jen retired from nursing and has a business called Vibrance for Ladies that provides health coaching for menopausal women. She is a long-time ski club member and besides travelling for ski adventures she also likes to camp, hike and mountain bike. She has two grown kids, a daughter in Bend and a son in Redding.

**Regarding the BSC Board, after years of service, Dave Wittmann has decided to step down.** In addition to his level-headed, measured approach to board issues, Dave took the lead on a number of important BSC changes, including construction of our registration system and taking our BSC meetup group private. The good news -- he's not going anywhere. Thanks Dave!

**Registration for the 2024-2025 season will open in early November and our kickoff meeting will take place in mid-November.** Watch for a newsletter in October for details.

Have a great summer!
