

BEND SKI CLUB UPDATE: February 2024

10% Discount on Equipment (non-sale items), Rentals, Demos and Tuning Services

10% Discount on Tuning and Repair Services

What a great week of skiing! We had something for everyone, from beautiful bluebird groomer days to nearly a foot of fresh powder! And it looks like snow on the mountain every day for most of the next week.

We had a great presentation this last week from Travis Weaver of Fortitude Fitness Training. Travis focused on workouts to improve ski fitness and general injury prevention. Need a little help getting in shape for ski season? Check out his website... [Fortitude Home - Fortitude Fitness Training - Bend OR.](#)

Our next speaker series event will be Tuesday March 12, featuring David Marchi of Globallines Guides. David will share his experiences ski touring in Antarctica. We meet in the upstairs room of the Deschutes Brewery on Bond. The doors open for food and beverages at 5:30 and the presentation begins at 6:30.

And be sure to join us every fourth Tuesday of the month at 4:30 for an Après Ski at the Broken Top Bottle Shop. Our next two events are scheduled for

February 27th and March 26th. Grab a beverage, some food, and catch up on all the latest news with your BSC buddies!

The BSC is excited to announce member Brian Lunde has volunteered to serve as our newest board member. In addition to being a great guy, as the Information Technology Manager for DonorAlliance, Brian brings strong technology and management skill sets to the club. He and his wife Heather live in the Sunriver area. Thanks Brian! We are also excited to add **Robert Schipsi as our newest Meetup Leader.** I skied with Robert several times last season and you will not want to miss his Meetup events!

One of the many Bend Ski Club member perks is our private **Facebook Group "Bend Ski Club."** To join, you will need a Facebook account then go to www.facebook.com/groups/BendSkiClub and ask to join. The Facebook Group is administered by Becki Robinson. Please feel free to message her with any Facebook questions.

All for now. Hope to see you on the mountain!
