Dear Patient,

We have some exciting news! Focused Life Clinic is relocating in 2024!

Our new office is just up the street in the building with the bright blue roof on the corner of Westown Parkway and 29<sup>th</sup> Street. Located on the lower level, our new office will have ample parking and a private entrance.

**We will begin seeing patients at our new office on Tuesday, January 2nd, 2024.** Any appointments through the end of 2023 will be at our current location.

We do not anticipate any disruption in meeting your needs with scheduled appointments, questions, or refills. Your provider will not change, and our phone and fax numbers will remain the same. Please see below for our new address and a map.

We look forward to seeing you in the New Year at our newly renovated office space.

Sincerely,

Focused Life Clinic Providers and Staff
