

Human Centric Interviewing®

August 24 - 28

The HCI curriculum is pre-approved by the National Children's Alliance® and National Advocate Credentialing Program

A comprehensive program for inquiry professionals who conduct forensic interviews with individuals who have experienced trauma or victimization.

An immersive course blending foundational science, evidence-informed interviewing practices, and hands-on exercises to elicit accurate, detailed documentation.

Participants will learn how to build human connections to establish trust & create safe controlled environments where interviewees can discuss painful and complex experiences.

The curriculum centers on human-centered, trauma-informed, and healing-focused forensic interviewing techniques for gathering credible testimonies.

WHO SHOULD ATTEND?

Child & Adult Advocacy & Abuse Workers
Forensic Interviewers
Law Enforcement
Medical Providers
Prosecutors
Title IX Investigators
Victim Advocates
Allied Professionals

Course Tuition
\$999
