COMPANY PROFILE

About Us

Classic Investment Limited is a registered company incorporated on 31/07/2008. We are a supplier of consistently high quality goods and services to all our clients at a competitive rate through a sophisticated network, with the best manufacturers in the world and a dedicated technical workforce capable of delivering goods and services timely across Zambia and Africa in general.

Mission

Classic Investment Limited seeks to achieve high quality workmanship and deliverance of project works and other services on time. The company seeks to contribute to socioeconomic development through the use of a qualified and experienced workforce in the execution of its works.

Vision

To be a regional leading firm in infrastructure development, Fabrication, general supplies and civil engineering so as to ensure specialization professionalism and workmanship.

Marketing Summary

- - **Classic Investments Limited** operates in a highly competitive market in terms of Fabrication, general supplies and civil engineering.
The company is therefore better placed because it is better positioned to succeed in its operations. It places a very high value on quality workmanship and client satisfaction.
The company has a sufficient resource base to sustain its operations both on and off project sites. With an ambition to acquire modern state of the art plant and equipment, it will be one of the leading players in the industry.
- - **Classic Investments Limited** will provide fast and reliable technical assistance and know how to all our clients in the general supplies and civil engineering sectors.
- - Our research has reviewed that the need for new and local supply is wide open due to the ever increasing demand in the industry and the growing economy.
- - The current analysis to achieve a viable and good system in the Country shall only be attained by proven and skilled contractors venturing in this industry

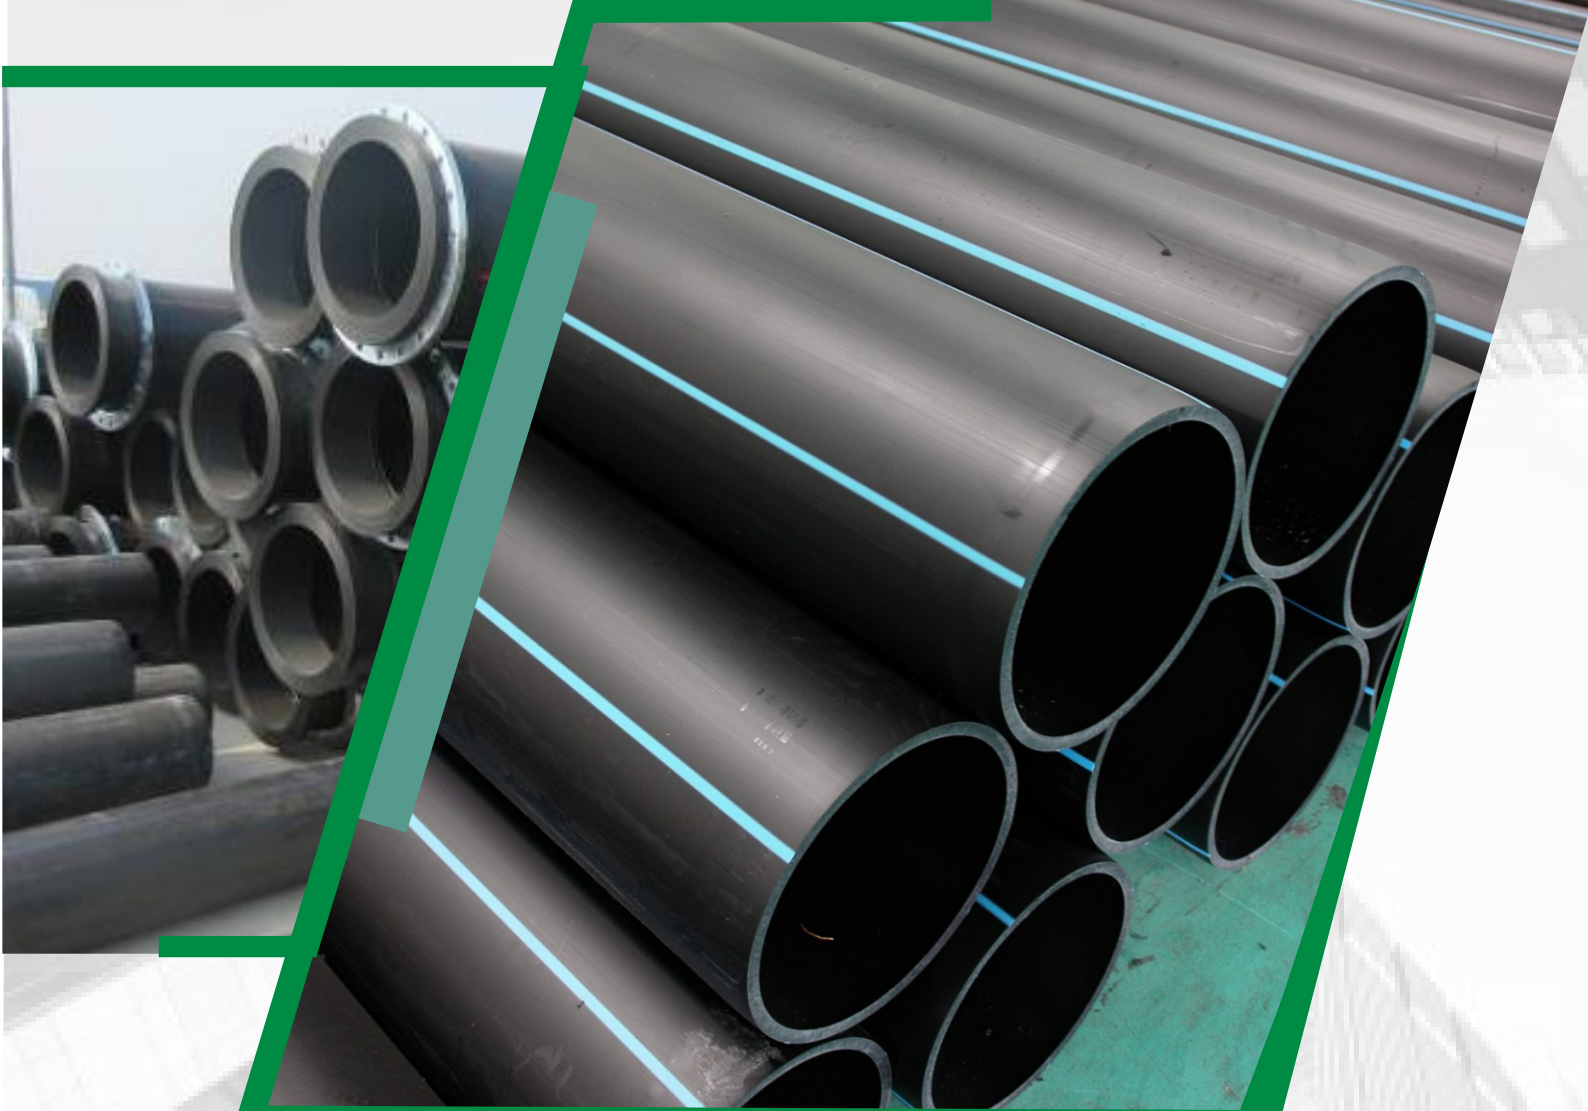

Market Analysis

Classic Investments Limited will adopt a fairly intently focused market strategy by breaking the market into logical segments; home office, business communities, the church, government institutions and non-governments organizations.

Market Demands & Satisfaction

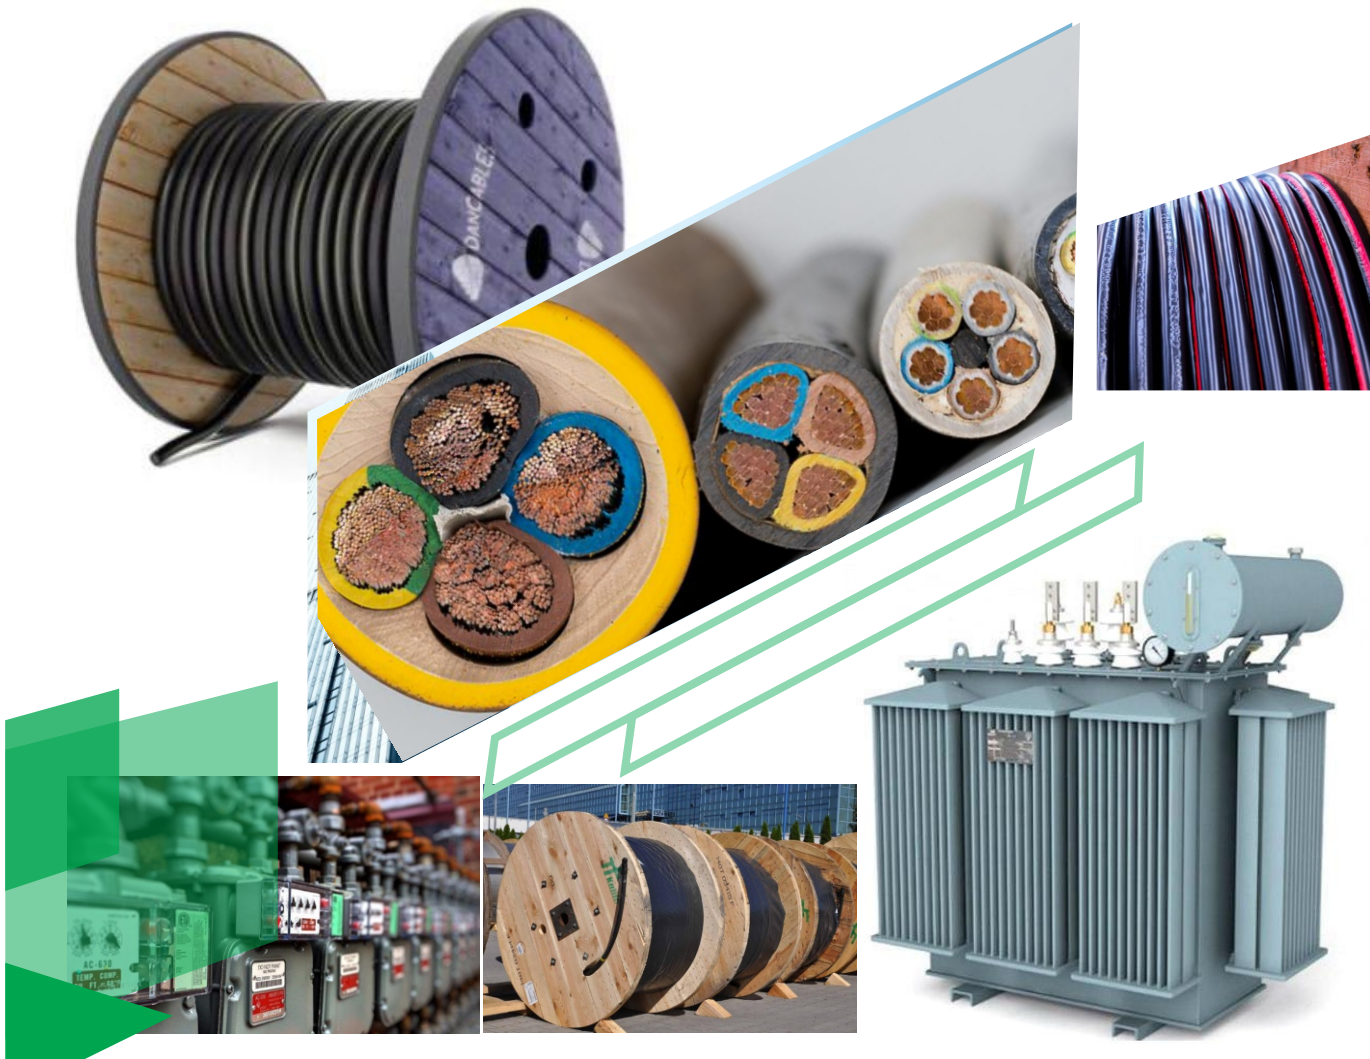

Classic Investments Limited through the use of qualified and experienced staff and technical support teams will ensure that the work it undertakes meets client's expectations. Secondly, through prudent management and highly efficient coordinated systems, the company will ensure that projects, suppliers and services are delivered on time to client's satisfaction. Monitoring and evaluation of all contracts shall be a priority for the company and will be done at every stage in the economy by forming up an autonomous entity to ensure high quality and timely deliverance of services.
