- $8\left(2^{\prime \prime} \times 451 / 2^{\prime \prime}\right)$ label corner blocks border
- $8\left(2^{\prime \prime} \times 151 / 2^{\prime \prime}\right)$ label $M$ sashing
- $12\left(31 / 4^{\prime \prime} \times\right.$ WOF $)$ strips, cut (4) of those strips in half along the length, making $8\left(31 / 4^{\prime \prime} \times 21^{\prime \prime}\right)$.

Join each short piece to the remaining fabric strips. Trim each one to ( $31 / 4^{\prime \prime} \times 601 / 2^{\prime \prime}$ ), label inner border.

## Triangle Border Fabric:

Cutting:

- $10\left(14 \frac{1}{2}{ }^{\prime \prime}\right)$ squares, cut (8) of the squares on both diagonals, label side triangles. The remaining two cut on one diagonal, label corner triangles.

Inner Border (same fabric as triangle border)

- $6\left(2^{3 / 8 \prime \prime} \times\right.$ WOF $)$ strips. Cut (2) of the strips in half along the length making them $21^{\prime \prime}$ long. Join each short piece to the remaining longer strips. Trim each one to ( $2^{3 / 8^{\prime \prime}} \times 60 \frac{1}{2 \prime \prime}$ ), label center inner border.
Making the inner border:
- Join with RST, the French Vanilla ( $31 / 4^{\prime \prime} \times 60 \frac{1}{2}$ " ) to the center inner border. Press. Join with RST, another French Vanilla ( $31 / 4^{\prime \prime} \times 60 \frac{1}{2}{ }^{\prime \prime}$ ) to the other side of the center inner border. Make (4) of these borders.
