Woven Stars pattern correction page

From the original pattern:

Pattern reads to cut 8 (10”) squares for outer border. These are not needed

These Cutting instructions are more clear for the Dark color fabrics:

Cutting instructions

Dark fabrics

- Cut (1) 10” x WOF from each color fabric
- Recut into (34)10” squares (B)

If using precut 10” squares:

- From bundle of 10” squares, choose (34) dark to medium colored squares, Label (B)
- With the remaining (8) 10” squares, cut into (160) 2” squares, label (32) H (these are used in the corners for Tall Star blocks) Remaining (128) label N. These are used with the Short Star Points 16-patch

Continue cutting from Dark Fabrics

- Cut (1) 2” x WOF strips from each color
- Cut into 2” squares or cut from remaining layer cake, 160 squares. Divide into 2 groups. (128) group N, (32) group H (group H are for the Tall Star Points corner blocks)
