

Adding Shortcut Icon for Golf League to your Home Screen for iPhone

Go to the Safari app

on your iPhone

Enter in the search bar: www.cgc9holers.com and hit enter. This will bring you to our website. At the bottom of the screen Tap the SHARE button

If you do not see the Share button you may see three dots . . . select the 3 dots and then the Share button, if you don't see the three dots, you may see **View More**, click on **View More**, then the Share button

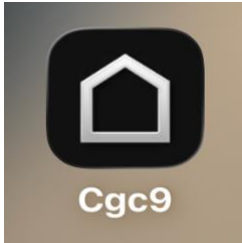

At bottom Scroll down the list of options, (You may need to hit View More to get a list) then tap **Add to Home Screen**

Select Add at the top

The icon should appear on your Home Screen

It will look like a grey house outline in a black box. It may say Cgc9 below it.

(This depends on what setting you have for font size)

Adding Shortcuts to your Home Screen for Android

On your Android device open Google Chrome

Go to the website you want to create a shortcut for **www.cgc9holers.com**

To the right of the address bar tap the right of the address bar, tap **More**

Add to home screen

Create shortcut

From the dialog that appears: Rename: select the default name for the shortcut or rename the short cut

Tap **ADD**

This will appear on your Home Screen
